

Leslie Koehler Majolica Pottery

# art on main

## Mission

Art on Main is a *non-profit, community-supported, artist-cooperative* gallery committed to supporting the creative endeavors of individuals in our community through the exhibition and sale of art and craft, community events and outreach, and through professional development for artists.

## Discover unique fine art & craft...

- ◆ Discover the work of over 100 artists—our neighbors in Addison County and throughout Vermont, both well-known names and newly emerging talents.
- ◆ Enjoy a continually expanding selection of creative work in a wide variety of media including pottery, wood, jewelry, re-made, textiles, painting, crafts, and photography. New artists accepted four times each year.

Amanda Canavan Glass

Pam Farnsworth Handbags

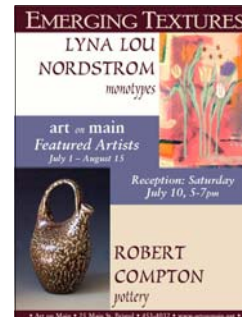

Jascha Sonis Jewelry

## View something new all year long...

- ◆ A *Theme Show* from mid-May thru June brings together special guest artists and regular exhibitors in multiple media, all unified by a single theme or form.
- ◆ The *Featured Artist Series* highlights pairs of artists working in different media during four distinct exhibits between July and December. Meet the artists at receptions accompanying each exhibit.

Maura Clancy demonstrates basket weaving during American Craft Week in October.

## Celebrate art in our community...

- ◆ Learn about the creative process at *Artist Demonstrations* during *Open Studio Weekend* and *American Craft Week*.
- ◆ Celebrate talented youth from the community during the *Bristol Recreation Department Clay Studio Student Show* in February and the *Emerging Artists Exhibit* in March, a collaborative effort with Mt. Abraham UHS to honor National Youth Art Month.
- ◆ **Show us your stuff!** The *Community Art Show* every April thru mid-May is open to all who dabble age 2 to 102. Join us for the Opening Celebration, featuring live local music. *All sales go to the artists.*
